For information by e-mail: Karen@RashTeam.com

This large Cape Cod-style home has four bedrooms and two full bathrooms.

In the Kitchen you'll find Corian countertops and an efficient work space.

There's a Pantry in the Laundry Room. The Living Room, just off the Entry Hall, is spacious and has plenty of windows to brighten your day. The property has been nicely landscaped and features a fish pond. It's all on a corner lot that measures nearly an acre (0.96 acres, subject to survey).

Are you ready to take a look? We've posted 30 pictures on the website!
